Okay, uh...

Mama?

Bahh.

SAMAEL!

Can you explain
to me why there
are two dozen
dead animals
stinking up
my waiting
room **AGAIN?**

I'm sorry Mr. Kaplan, I just... I have no idea what these animals are saying.

I don't pay you for excuses!

If you can't understand 'em then hire a translator!

...I can do that?

Ok, let's try this again. Name?

Bann.

He says his name is "Bann."
